Dr. Johnson lived his life in service to Delaware and was instrumental in desegregating schools in New Castle County. He left us April 22, 2020 at the age of 85. He had a profound impact on the lives of many children and the communities we serve. He was often consulted on education equity throughout the country. A product of the east side of Wilmington, Walnut Street YMCA and Central State University, his life prospective encompassed the turbulent civil rights struggle. He remained actively engaged in the issues of our time. Dr. Johnson was humble, gifted and courageous. He was a veteran, a member of Kappa Alpha Psi Fraternity, Inc., and a giant among men. Help us cement his legacy by renaming Highlands ***“The Joseph E. Johnson Elementary School of Excellence.”*** If you have any questions, please contact Leesa Kellam-Sheppard at 302-438-8559.

The New Castle County Alumni Chapter of Delaware State University has six \$1000 scholarships to award to graduating seniors who reside in New Castle County and who will be attending Delaware State University in the fall of 2021. Selections will be made based on the student's academic achievement, financial need, letters of recommendation and biographical sketch.
